**Getting to know you.**

Please share with us more about your family, your life style, your needs and preferences and why, what dogs you have or had in the past, your confidence level for training a young puppy, everything you share is confidential and is only requested to help us get to know you, so we can match you with your dream care bear, We select each puppy for each family based on their temperament and individual personality.

Once you have confirmed your care bear booking with your payment, we will let you know when your baby is born and/ or has passed their first health exam. We try to keep up with photos as your baby grows but please remember there is no "Team" here, so everything we do is personally done by us, ensuring a wholesome knowledgeable loving environment for your new family member to thrive in. We thank you for your patience and look forward to your questions and excitement while you wait for the arrival of your gorgeous Tegan Care Bear.
